Dear Mr. Matthan,

With reference to your Confidential D.O. of the 8th instant which I received last night regarding the Directorship of the Department of Industries and Commerce, I am afraid that it would be quite impossible for me to undertake this arrangement at the present - - juncture. I do not know exactly what the work is and I shall have more work than I can handle in connection with the Iron Scheme and supply of Ore and Flux.

I expect to be away in connection with this work practically the whole time until the monsoon breaks in June and perhaps later and I do not see how it will be possible for me to easily look after the work of the Industries and Commerce Department while absent from Head Quarters.

I very much regret that the pressure of other urgent work debars me from assisting Government in this

this matter which I should have only been pleased to do under other circumstances.

Yours sincerely,

K. Matthan, Esq., B.A.,
